Music is often reflective of the period in which it was created. "The Best Of Angela Bofill" is a collection of 12 songs recorded from 1978-1985, a period where most pop music lacked reality and depth; but occasionally a few artists emerge out of the mundane regimentation to express a fresh approach to singing that is honest and appealing...Angela Bofill is such an artist.

A native of New York City, Angela Bofill continues to provide a coloristic approach to singing. There is nothing complex about her style...no ambiguous
